- They want to overturn life-saving federal and state pro-life laws—like parental notification.
- They would force doctors and nurses to take part in abortion, regardless of their religious or moral beliefs.
- They've vowed to repeal the Hyde Amendment and make taxpayers like you fund abortion.
- They'd appoint only judges who promise to uphold *Roe v. Wade*.
- They want to increase funding for Planned Parenthood, the nation's largest abortion provider.
- They've pledged to codify *Roe v. Wade* into federal law, so states couldn't limit abortion even if *Roe* is overturned.
- They oppose any and all limits on late-term abortion—even if the unborn baby is perfectly healthy.
- They want to silence pro-life voices like yours in the public square.
