Dear Dr. [REDACTED]

We realize that it can be difficult to find a truly professional medical facility to refer your patients to for pregnancy termination services. Please allow me to introduce these State Licensed, outpatient surgery centers of www.IllinoisAbortion.com. These centers are accredited by the AAAHC - Accreditation Association for Ambulatory Health Care, Inc. The centers are independently owned and operated.

The Centers accept most PPO insurance plans and are contracted providers for Blue Cross/Blue Shield of Illinois. They are also contracted providers for Advocate Healthcare Group HMO & Blue Cross/Blue Shield of Illinois HMO – Patients with HMO plans require an authorization/referral by their primary doctor or medical group.

Every state licensed health center provides confidential care to all of their patients with private counseling areas, modern surgical suites, and comfortable recovery rooms. The following surgical services are available at most locations:

- First – Trimester Pregnancy Terminations
- Early 2nd Trimester pregnancy termination up to 17 weeks gestation
- Vasectomies and Tubal Ligations are available only at some of the centers.

**The centers are also recruiting part-time Physicians in the following specialties: Obstetrics/Gynecology, Uro-Gynecology, Urology, Gastroenterology, Infertility and Anesthesiology. If you or someone you know would be interested please call 847-255-7400 and ask for or email: Kimberlee; kimberleo@officegci.com or Jessica; jessicab@officegci.com.

Sincerely,
