

American Girl, You Have Betrayed our Trust.

American Girl's new "I Can" bracelet program is helping to fund Girls Incorporated—an organization that strongly supports abortion. A Girls Inc. Advocacy Statement states clearly:

"Girls Incorporated supports a woman's freedom of choice, a constitutional right established by the U.S. Supreme Court in 1973 in Roe vs. Wade."

Since American Girl has chosen to fund an organization that supports the killing of unborn children, including 1,800 little girls every day, we are calling for a boycott of American Girl through this 2005 Christmas shopping season.

We ask that you do not patronize American Girl Place or purchase dolls, books or accessories from American Girl as long as they remain affiliated with Girls, Inc.

Please contact American Girl to express your disappointment over their association with Girls Inc. and their refusal to end it.
